Ramaya Teegne: *Bzzz Bzzz Bzzz*
(New Jersey)
October 2016

Ramaya Teegne, *Bzzz Bzzz Bzzz* (New Jersey) at the Swiss Institute

The Swiss Institute welcomed guests to its new, temporary Tribeca home on October 5 for a lecture performance by Ramaya Teegne. The Geneva-based artist presented her collected oral testimonies from New Jersey, a now-defunct artist-run space in Basel, Switzerland.

“It is a part of my research observing gossip in the context of group dynamics specifically within artistic communities,” said Teegne of the piece, which is based on the discussion between seven people who were involved with the shuttered institution.
